**Karachi Water & Sewerage Services Improvement Project
(Project Implementation Unit)**

Karachi Water & Sewerage Corporation

40-G, Street 40, Block 6 PECHS, Karachi. Pakistan
Telephone: +92-21-34374081, +92-21-99330279

No.	Query	Response
I.	Extension of Bid Submission Extension of bid submission deadline by at least 30 days was submitted by the participants.	Extension of bid submission deadline is under consideration and will be formally advertised if and when accepted.
II.	Soft data of Routes Request for data in electronic format was submitted by the participants.	.KMZ files of the routes has been uploaded on the KWSSIP website. The route information in pictorial format is also available in the bidding documents.
III.	Trenchless Technology A query regarding use of trenchless technology was submitted by the participants whether to use thrust boring or micro tunneling.	Thrust boring and Micro tunneling are different methodologies. Information regarding use of trenchless methodology is clearly provided in the Bidding Documents and Bill of Quantities.
IV.	Price Adjustment Price adjustment is given for local and foreign currency and a fix portion is allocated. Can this fix portion change?	The fixed and variable portion in price adjustment has been thoroughly evaluated will remain same.
V.	Contractor's Profit Clarification about contractor's profit in provisional sum.	Bidding document is clear on what is included in prices, including profit margin of the contractor.
VI.	General Queries Clarification was requested about general queries regarding the activity.	All queries must be submitted in writing in accordance with the time and date stipulated in the bidding documents. The queries may be addressed to either Project Director or Procurement department. Email addresses of both have been provided in the Bidding documents.
VII.	Qualification Requirements. Request for relaxation of qualification requirements was made for the K-IV augmentation works.	The qualification requirements for the works is already relaxed and are kept at the lowest level. No more relaxation can be provided in qualification criteria of bidders.
